Expression of Interest (EOI)

CRANAplus Remote Managers Network

Type of Opportunity	Special Interests	Requirements
CRANAplus is developing a network of interest for remote managers.	Have a passion for remote management and seek opportunities to network with other managers.	Currently working as a clinical manager in a remote community in any state/territory.

Opportunity/brief:

CRANAplus is seeking interested, current remote health centre/clinic managers to bring them together in a supportive environment and facilitate a network of managers.

Details:

The remote managers network will have the opportunity to come together online regularly, in a supported environment. The network will have opportunities to develop relationships with other managers, seek support from one another, and share stories and experiences within the group. Meetings will be hosted by a CRANAplus employee to support this network and ensure the CRANAplus values are adhered to.

Skills/Knowledge and experience required:

CRANAplus is open to an applicant's history, experience, current skills, and knowledge however, applicants need to be working in a remote setting as a health centre/clinic manager and be a current member of CRANAplus.

Commitment required:

Gatherings will occur via zoom, once a month and given the nature of managers' commitments, you will be able to attend as often or as little as you like. The network is voluntary, and you are welcome to share/discuss as much as you would like or just listen and learn from others.

Application process:

Please send correspondence to our Workforce Support team outlining the below

- Your name, current management position and location of work.
- What you hope to gain from joining the remote managers network.

Expressions of interest will be reviewed by the CRANAplus Professional Officer who will communicate details meeting details.
